Flower Pounding (03 Jul)

Lunch Bunch (16 Jun)

Sign up now for Flower Pounding!

Flower Pounding is coming July 3rd.

Flower Pounding involves hammering flowers into a canvas or fabric, to create a piece of art. The color from the flowers leaks onto the fabric or canvas, and it ends up looking almost like a painting.

Kay Musgrove will teach two classes of 10 students each at \$5 each. There will be two sessions on 3 July: 1pm and 3pm. Please register above.
