I'm especially excited about the last one. We will have Christopher Moore from Moore Wealth Management with us to discuss "*Strategies to Help You Make an Impact with Your Estate.*" He'll present on a wide range of topics, so you know not only what you need to do, but also how to communicate the information to your family. Chris is donating his time for the event, so there is no cost and it's open to all ages. We hope you'll join us on Thursday, March 27th at 6pm and bring a friend!

Details and registration links for all the events are below, or visit <https://www.stjoemin.com/keystone> for more information.

Be sure to check out the bulletin board in the B hallway at St Joe for updates and a calendar of info. Special
