

A Message From...

Kailyn (far left), Camper from Epworth Forest Middle/High School Camp

My experience at camp will be one I won't forget anytime soon. It was so enjoyable and I connected with so many amazing people while there. I experienced God through the friendships I made and the smiles shared. There was one night where we sang worship songs around a campfire and we all had our arms around each other, and all of our voices together singing was so moving and powerful, I am so grateful I went and got to experience God in so many different ways.

Jonathan, from Family Camp at Camp Lakewood

Our family was excited to participate in Family Camp this year for the first time! We all enjoyed ourselves very much, taking part in the family and kids activities, and spending a couple of days outside in God's creation. Our kids got to try several activities for the first time, including archery, zipline, and the ropes course! Our favorite parts were singing worship songs around the campfire with the other families, making s'mores together, bouncing on the trampoline by our cabin, and the parent sessions and devotional time. We saw God's presence in the quiet time, fellowship and community with other families, and spending time in His creation. We look forward to going back in future years!

Ari, from Elementary Camp at Camp Lakewood

I learned that Jesus loves us more than we can imagine and that he loves us all equally. I also learned that Judas betrayed Jesus. My favorite thing I did at camp Lakewood was the aqua glide and I also really enjoyed the zip line. I saw god at vesper's when I went up to the cross and asked Jesus to be my friend on earth and in heaven.
